

SANITARY PROTOCOL OF THE COMPETITIONS ORGANIZED BY LATVIAN DARTS ORGANIZATION AND ITS MEMBERS

1. APPLICABILITY OF THE PROTOCOL

- 1.1. The Sanitary protocol of the competitions organized by LATVIAN DARTS ORGANIZATION (hereinafter referred to as "LDO") and its members (hereinafter referred to as "the Protocol") has been developed in connection with the prevalence of Covid-19 in the territory of the Republic of Latvia and the associated restrictions.
- 1.2. The Protocol is intended to be used for mandatory use in all competitions organized by LDO and its members, subject to the conditions laid down in the Protocol, also for specific LDO competitions.
- 1.3. As regards the application of the Protocol to Baltic, European and international competitions, which are being held in the territory of the Republic of Latvia, the participants undertake to comply with additional requirements, which are being raised on the part of the State and international organizations.
- 1.4. All participants in the competition, in addition to the Protocol, undertake to comply with all applicable laws of the Republic of Latvia, as well as with binding international laws and regulations issued in relation to the prevalence of Covid-19. All requirements regarding the location of spectators, competition participants and organizers at the venues of the competitions organized by LDO and its members shall be fulfilled in accordance with the Regulation No.662 of September 28, 2021, "Epidemiological Safety Measures for the Containment of the Spread of COVID-19 Infection" (hereinafter referred to as "Regulations") issued by the Cabinet of Ministers of the Republic of Latvia.¹

2. ESSENTIAL REQUIREMENTS FOR THE CONDUCT OF COMPETITIONS ORGANIZED BY LDO AND ITS MEMBERS

- 2.1. The competitions organized by LDO and its members shall be conducted in conformity with the regulatory enactments in force in the Republic of Latvia, including Regulations.
- 2.2. The organizer of the competition shall ensure that participants are informed of the epidemiological security measures specified in the venue of the competition (by also placing such information on the LDO website www.latviadarts.com), for example:
 - 2.2.1. regarding the fact that persons who have specified house quarantine or isolation or who have signs of respiratory infectious disease may not be present at the venue of the competition;
 - 2.2.2. a recommendation on the use of facial masks at the venue of the competition, as well as on the correct use of facial masks;
 - 2.2.3. a recommendation regarding observance of distance at the venue of the competition, as well as other conditions for distance, if any;
 - 2.2.4. for the maximum number of persons at the venue of the competition, if such has been determined.
- 2.3. At the venue of the competition, it is recommended that participants and spectators, as well as persons directly involved in ensuring the conduct of the competition

(referees, volunteers, etc.), do not gather in large groups, observe the distance of two (2) metres between the participants, and between the spectators, and behave responsibly against their own and their surrounding persons health/safety.

- 2.4. The maximum number of participants and spectators who may be at the same time at the venue of the competition shall be determined in accordance with the Regulations. Persons directly involved in ensuring the conduct of competitions (referees, volunteers, etc.) shall not be counted in this maximum number of persons.
- 2.5. It is recommended to use facial masks at the venue of the competition. The facial mask should not be used by competitors and game markers during the game.
- 2.6. The organizer of the competition must designate the person (or persons) responsible for compliance with the epidemiological safety requirements. This person shall ensure the implementation of the epidemiological safety measures and the monitoring of compliance thereof at the venue of the competition and shall, at the request of the official of the supervisory or control authority, provide it with the necessary information regarding the implementation of the epidemiological safety measures.
- 2.7. Persons infected with Covid-19 who, in accordance with the requirements of the Regulations, are required to comply with isolation requirements or have signs of acute respiratory infectious disease, or persons who do not comply with the epidemiological safety requirements laid down in the present Protocol, including failure to comply with the instructions of the organizer of the competition (responsible person), shall not be admitted to the venue of the competition. Such person shall be refused to participate and/or attend the competition, as well as expelled from the venue of the competition without any compensation.

3. FINAL PROVISIONS

- 3.1. For failure to comply with the Protocol and/or epidemiological safety measures, the participant and/or spectator of the competition shall be responsible in accordance with the procedures specified in the internal regulatory documents of the LDO and/or the regulatory enactments in force in the Republic of Latvia.
- 3.2. The Protocol shall enter into force immediately, shall apply to the competitions organized by LDO and its members from April 01, 2022, and shall remain in force until restrictions have been imposed in the Republic of Latvia regarding limitation of the prevalence of Covid-19.
